Are there any activities that you would like to avoid like lifting, carrying, walking certain distances, etc.?
If so, please describe:

These are the available tasks for the day. These may be subject to change. Please check all tasks that you would be interested in participating in:

☐ Set-up and Arrivals

- Signs with balloons will need to be set up to guide participants to the right location.
- Staking 18 signs at locations throughout the course.
- Setting up the water station (table, 2 chairs, water cooler, cups, trash box) at the 1/2 way mark.

☐ Meet & Greet

- Greet participants and direct them to the registration/check-in station.

☐ Registration/Check-In Station

- Check in registered participants and register new ones.
- Also responsible for making sure that everyone has a T-shirt.

☐ Food

- Setting up and arranging all the food, water and coffee. You will also be responsible for cleanup and teardown.
- You may also be available to pick the food and coffee up on your way into the race.

☐ Set Up Balloons & Cheer Stations Along Course / Cheering

- Cheering folks along the race and directing them along the right path of the racecourse (there are a few forks in the path so we need to ensure folks are going the right way!).
- Manning the water station and passing out water to those who want/need it.

☐ PA System & Speakers

- Set up and tear down the PA Station.
- Making sure that music plays continuously and also stopping the music when it is time for the speakers before the race and also when it's time for awards after the race.

☐ Pick Up Signage and Water Station Along Racecourse

- Picking and retrieving all the signage as well as the water station items at the end of the race.
